

Free or Reduced Priced Meals

Because CCS is no longer being reimbursed by the government for free or reduced priced meals we have found it necessary to charge a discounted fee to those students in need. Those who qualify will be charged \$170 or \$340 per annually, depending on the level of need based on their annual income and the number of people living in their household. Those who qualify will automatically be signed up for annual lunches on your tuition payment plan and charged accordingly, unless you tell us you do not want the reduced priced meals. Applications are available on our website and in the school office.

Reduced Price Meal Application
