OUR PURPOSE

Central Christian Preschool and Child Care Center exists to provide an excellent, safe, nurturing, Christ-centered environment where children have the opportunity to develop a love for Jesus Christ and others. It is a place to grow and develop spiritually, intellectually, physically, socially, and emotionally.

Central Christian Preschool and Child Care Center is an integral part of Central Christian Schools, Inc., working together to provide opportunity for students from preschool through Grade 12.

MISSION STATEMENT

Our mission is to educate, equip, and edify every student to exalt the name of Jesus Christ.

CURRICULUM

We believe play-based and hands-on learning is essential to a child's development. Every class uses a themed curriculum with developmentally appropriate

learning activities based on the Kansas Early Learning Standards. Abeka is used in all of our classes for teaching Bible.

Children will be guided to:

- Talk to God every day
- Work, play, and share with others
- Continue to develop verbal, reading, and math skills
- Strengthen large and fine motor skills
- Become aware of and develop an interest in the world around them
- Develop a sense of pride in accomplishments
- Practice responsibility

Information and research on play-based learning is available upon request.
